Independent auditor's report on review of interim condensed consolidated financial statements

To the Shareholders of Qatar Insurance Company Q.S.P.C.

Introduction

We have reviewed the accompanying 30 September 2026 interim condensed consolidated financial statements of Qatar Insurance Company Q.S.P.C. (the "Company") and its subsidiaries (together the "Group"), which comprises:

- the interim condensed consolidated statement of financial position as at 30 September 2026;
- the interim condensed consolidated statement of profit or loss for the three-month and nine-month periods ended 30 September 2026;
- the interim condensed consolidated statement of comprehensive income for the three-month and nine-month periods ended 30 September 2026;
- the interim condensed consolidated statement of changes in equity for the nine-month period ended 30 September 2026;
- the interim condensed consolidated statement of cash flows for the nine-month period ended 30 September 2026; and
- notes to the interim condensed consolidated financial statements.

The Board of Directors of the Company is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

KPMG, Qatar Branch is registered with the Ministry of Commerce and Industry, State of Qatar, and a member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. The KPMG name and logo are registered trademarks of KPMG International.

1 STATUS AND OPERATIONS

Qatar Insurance Company Q.S.P.C. (the "Parent Company") is a public shareholding company incorporated in the State of Qatar in the year 1964 under Commercial Registration No. 20 and governed by the provisions of the Qatar Commercial Companies' Law and Qatar Central Bank's insurance regulations. The Parent Company and its subsidiaries (the "Group") are engaged in the business of insurance, reinsurance, real estate asset management and information technology related services. The head office of the Group is at QIC Building, Tamin Street, West Bay, P.O. Box 666, Doha, State of Qatar.

The Parent Company's shares are listed on Qatar Stock Exchange.

The Group operates in the State of Qatar, United Arab Emirates, Sultanate of Oman, State of Kuwait, United Kingdom, Switzerland, Bermuda, Singapore, Cayman Islands, Gibraltar, Jersey and Malta.

2 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

2.1 Basis of accounting

The interim condensed consolidated financial statements for the nine month period ended 30 September 2026 have been prepared in accordance with IAS 34 - *"Interim Financial Reporting"* and the applicable provisions of the Qatar Central Bank regulations, under the historical cost convention except for certain financial instruments which are stated at fair value.

The Group has prepared the interim condensed consolidated financial statements on the basis that it will continue to operate as a going concern. The Directors consider that there are no material uncertainties that may cast significant doubt over this assumption. They have formed a judgment that there is a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future and not less than 12 months from the end of the reporting period.

The interim condensed consolidated financial statements should be read in conjunction with the Group's annual consolidated financial statements as at 31 December 2025 ('last annual financial statements'). These financial statements do not include all the information required in the annual financial statements prepared in accordance with IFRS Accounting Standards. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group's financial position and performance since the last annual financial statements. In addition, results for the nine month period ended 30 September 2026 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2026.

These interim condensed consolidated financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS Accounting Standards) and were approved by the Board of Directors and signed on its behalf on 27th October 2026.

2.2 Use of estimates and judgements

The preparation of the interim condensed consolidated financial statements in conformity with IFRS Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

In preparing these interim condensed consolidated financial statements, the significant judgments made by management in applying the Group's accounting policies were the same as those described in the last annual financial statements.

2 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.3 New accounting standards and amendments

The table below lists the recent changes to the IFRS Accounting Standards that are required to be applied by an entity with an annual reporting period beginning on 1 January 2026:

Effective for the year beginning 1 January 2026	• Classification and Measurement of Financial Instruments – Amendments to IFRS 9 and IFRS 7. • Annual Improvements to IFRS Accounting Standards – Volume 11 • Contracts Referencing Nature-dependent Electricity – Amendments to IFRS 9 and IFRS 7

Management does not expect that the adoption of the above amended IFRS Accounting Standards will have a significant impact on the interim condensed consolidated financial statements.

2.4 Accounting standard issued but not yet effective

The table below lists the recent changes to the IFRS Accounting Standards that are required to be applied for annual periods beginning after 1 January 2026 and that are available for early adoption in annual periods beginning on 1 January 2026:

Effective for the year beginning 1 January 2027	• IFRS 18 Presentation and Disclosure in Financial Statements • IFRS 19 Subsidiaries without Public Accountability: Disclosures • Translation to a Hyperinflationary Presentation Currency - Amendments to IAS 21
Available for optional adoption / effective date deferred indefinitely	• Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28)

The Group is currently assessing the impact of the IFRS Accounting Standards and amendments and will adopt them when they become effective, where applicable.

2.5 Functional and presentation currency

These interim condensed consolidated financial statements are presented in Qatari Riyal (QR) which is the Company's functional currency. All amounts have been rounded to the nearest thousand (QR '000), unless otherwise indicated.

The individual financial statements of the Group entities are presented in the currency of the primary economic environment in which they operate (functional currency). For the purpose of these interim condensed consolidated financial statements, the results and financial position of each subsidiary are expressed in the functional currency of the Parent Company.

2.6 Disposal of investment in associates

On 12 July 2026, the Group completed the disposal of a 13.75% interest in Damaan Islamic Insurance Company "Beema" Q.P.S.C. for QR 118,745 thousand, effective 1 July 2026, retaining a 5% interest. Despite retaining one board seat, the Group concluded that it no longer exercises significant influence and discontinued the equity method. Accordingly, a gain of QR 42,386 thousand was recognised in profit or loss, and the retained interest was reclassified as a financial investment at fair value through profit or loss.

3 CASH AND SHORT-TERM DEPOSITS

	30 September 2026 QR '000 (Reviewed)	*31 December 2025 QR '000 (Audited)*
Cash and bank balance	**995,501**	729,819

11 LEGAL RESERVE

Legal reserve is computed in accordance with the provisions of the Qatar Central Bank (QCB) regulations, applicable provisions of Qatar Commercial Companies' Law and the Parent company's Articles of Association at 10% of the net profit for the year. On November 23, 2014, the Extra-Ordinary General Meeting approved the amendment of paragraph 1 Article (96) of the Articles of Association of the Company. The amendment states that transfers to the legal reserve shall be made until it equates 100% of the paid-up capital. The reserve is not available for distribution except in circumstances specified in the Qatar Central Bank (QCB) regulations/Qatar Commercial Companies Law.

12 SUBORDINATED PERPETUAL DEBTS

In 2020, the Group issued perpetual subordinated Tier 2 qualifying capital notes of QR 1,081,645 thousand net. The notes were issued through QIC (Cayman) Limited, a wholly owned subsidiary incorporated in the Cayman Islands, for the purpose of the issuance. These notes are perpetual in nature and qualify as Tier 2 Capital under Qatar Central Bank regulations for the solvency ratio calculations. In October 2025, the Group exercised its call option on the first call date and redeemed the notes in full at their principal amount, together with any accrued and unpaid interest (including any deferred interest, if applicable), and accordingly the notes were fully settled and are no longer outstanding as at the reporting date.

In 2022, the Group issued perpetual subordinated Tier 2 qualifying capital notes of QR 1,439,270 thousand net. The notes were issued through QIC (Cayman) Limited, a wholly owned subsidiary incorporated in the Cayman Islands, for the purpose of the issuance. These notes are perpetual in nature and qualify as Tier 2 Capital under Qatar Central Bank regulations for the solvency ratio calculations. The notes are listed on the London Stock Exchange.

12 SUBORDINATED PERPETUAL DEBTS (CONTINUED)

On 10 July 2025, the Group issued perpetual subordinated Tier 2 qualifying capital notes of QR 1,807,657 thousand net. The notes were issued through QIC (Cayman) Limited, a wholly owned subsidiary incorporated in the Cayman Islands, for the purpose of the issuance. The notes are listed on the London Stock Exchange.

13 OTHER COMPONENTS OF EQUITY

Other components of equity include foreign currency translation reserve, merger reserves and share of profit from equity accounted investments. As per the Qatar Central Bank's instruction dated 4 March 2019, share of profit from equity accounted investments should be transferred from retained earnings to reserve for share of profit from equity accounted investments. Declared and received dividends from equity accounted investments are the only distributable portion of this reserve.

The Group operates in the insurance industry and is subject to litigation in the normal course of its business. It is not practicable to forecast or determine the final results of all pending or threatened legal proceedings. Management does not believe that such proceedings, including litigation will have a material effect on its results at the interim condensed consolidated financial position.

The Group is also subject to insurance solvency regulations in all the territories where it operates and has complied with all the solvency regulations. There are no contingencies associated with the Group's compliance or lack of compliance with such regulations.

15 FAIR VALUE AND HIERARCHY OF FINANCIAL INSTRUMENTS

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy. The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

16 IMPACT OF REGIONAL GEOPOLITICAL DEVELOPMENTS

The ongoing regional geopolitical conflict has increased uncertainty across certain markets in which the Group operates. The Group is closely monitoring developments and assessing the potential implications for underwriting exposures, claims emergence, reinsurance protections, investment markets and operations. War-related perils are generally excluded from most insurance products unless specifically underwritten, although certain international specialty classes may be directly or indirectly affected. The ultimate impact on the Group's business, results of operations and financial position remains uncertain and will depend on future developments.

The Group's investment portfolio remains exposed to market volatility arising from current regional developments. In particular, shifts in yield curves, widening credit spreads and broader market movements could affect investment valuations. The Group continues to apply its established underwriting, reserving and risk management processes and to review the position as additional information becomes available.

The Group also continues to assess the availability and recoverability of reinsurance protections and any related liquidity implications. The Group's capital, liquidity and funding positions remain solid, and no additional management actions have been deemed necessary at this stage.
